**Every Insurance Policy has different rules and regulations and due to privacy laws we do not have access to your insurance information.*

Pre-authorizations can be sent on your behalf, please note that this needs to be done a minimum of 4 weeks prior to appointments to allow enough time for the insurance companies to review and respond.

You will receive the response by mail or email. Response's are confidential and will not be sent to the dental office. Please call us as soon as you receive this information.

Please fill this form out and bring it back to us to help us navigate your insurance information.

You can also Email it to info@saskatoondentalgroup.com or Fax to: (306) 382-3535
